Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum;
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided;
- Improve the availability of accessible information to disabled pupils.

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

Our vision is to ensure that all pupils are able access the rich knowledge that has been handed down through the ages: young people are entitled to experience, in Matthew Arnold's words *the best that has been thought and said*. Access to the shared knowledge intelligent adults take for granted is a democratic right in order to understand and shape our community, our country and our world – to have our say in our democracy. This knowledge informs our community and empowers them to promote equality and inclusion within the school.

The plan will be made available online on the school website, and paper copies are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan.

The School and the Trust honours and applauds the differences that make us unique whilst actively seeking and celebrating the common ground that binds us together as a strong community. We work together in a productive environment where dynamic ideas are shared in partnership, so that every member of the community may thrive

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, this procedure sets out the process for raising these concerns.

We have included a range of stakeholders in the development of this accessibility plan, including pupils, parents, staff and governors of the school.

Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.

Policy Statement

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with nondisabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

This policy complies with our funding agreement and articles of association.

Action plan

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.

Aim	Current good practice <i>Include established practice and practice under development</i>	Objectives <i>State short, medium and longterm objectives</i>	Actions to be taken	Person responsible	Date to complete actions by	Success criteria
Increase access to the curriculum for pupils with a disability	Our school offers a differentiated support for all pupils. We use resources tailored to the needs of pupils who require support to access the curriculum. Curriculum resources include examples of people with disabilities such as resources with increased font size etc Curriculum progress is tracked for all pupils, including those with a disability. Targets are set effectively and are appropriate for pupils with additional needs. The curriculum is reviewed to ensure it meets the needs of all pupils. Planning includes opportunities to work in group/pairs/collaborative learning as well as whole class.	Improve transparency of who our key students are in all year groups and closely monitor those who are PP and SEND, creating strategies (initially with Year 11).	PP/SEND to be a standard agenda item in SLT/HoF/Faculty and Year Team meetings. (Sep-November).	HSC/SENCO, SLT in charge of Curriculum and Assessment.	January 2021	<p>More frequent, and often structured discourse surrounding key students.</p> <p>-Clear acknowledgement on seating plans to identify key students and which provide evidence that lessons are planned to enable these students to make sufficient progress.</p> <ul style="list-style-type: none"> • Higher levels of parental engagement used to address concerns and promote positive outcomes • exam papers enlarged, as required • Coloured paper and/or overlays • Regular use of radio aids
